**INFORMATION DISCLOSURE STATEMENT**

Listed on accompanying Form PTO/SB/08B is a document that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98. A copy of this document is provided.

Where the publication of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed the decision date on the attached PTO/SB/08B based on information presently available to the undersigned. However, the listed date should not be construed as an admission that the information was published on the date indicated.

Applicants reserve the right to establish patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that has been cited or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120. 11138 OG 37, 38 (May 19, 1992).

The information contained in the Information Disclosure Statement was first cited in a communication from the United States Patent and Trademark Office in co-pending U.S. Patent Application No. 10/412,008 not more than three months prior to the filing of this Information Disclosure Statement.

It is respectfully requested that the Examiner initial and return a copy of the enclosed Form PTO/SB/08B, and to indicate in the official file wrapper of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency,  
or credit any overpayment, to our Deposit Account No. 502876.

Respectfully submitted,

Dated: April 10, 2008
